This matter comes before the Public Service Commission of South Carolina (the Commission) on Petitions to Intervene Out of Time filed by Thomas J. Studebaker on behalf of himself and the Towne Creek Community Association (the Association). The closing date for intervention in this case was June 19, 1991, and the Petitions filed on behalf of Mr. Studebaker and the Association were filed on or about June 25, 1991.

It appears to this Commission that Mr. Studebaker and the Association have a substantial interest in the rate increase application of Upstate Heater Utilities, Inc. Further, this Commission believes that no party would be prejudiced by the Commission allowing this intervention out of time.

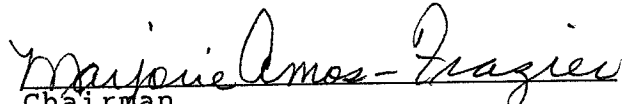

IT IS THEREFORE ORDERED:

1. That the Petitions to Intervene Out of Time by Thomas J. Studebaker on behalf of himself and Towne Creek Community Association are hereby granted.
